TRI-COUNTY AUTO SUPPLY COMPANY – JULY

HAPPY INDEPENDENCE DAY

As we do every year, we'd like to start off this July's newsletter by wishing all our valued clients, family, and friends a happy and healthy 4th of July. While it's widely considered the unofficial start to summer, this day is about much more than just gathering with friends and loved ones and enjoying a nice barbecue. It's important to celebrate our nations independence and remember all the men and women who have fought to protect the freedoms we get to enjoy. Without them we would not be where we are today. It may not always be perfect, but this is still the greatest country in the world. So again, on behalf of everyone here at Tri County, happy Independence Day!

**TCA will be closed Tuesday July 4th in observance of the holiday and no deliveries will be made*

CHRISTMAS IN JULY

And now the moment you've all been waiting for, everyone's second favorite holiday taking place this month, TCA's Christmas in July extravaganza! As with the previous iterations of this special event we will be offering incredible deals on select product lines all throughout the month. Over the next few days fliers will become available detailing how to participate in the promo, the products included, and all the deals to take advantage of. See the list below for just a few of the product lines that will be included in this year's sale:

- VPS service chemicals
- Can liners
- Absorbent pads
- Disposable gloves

This is just a small sample of the product offerings that will be available to you this Christmas in July. For more information on the promo or how to participate contact your sales rep today, and don't forget to get those orders in early to maximize your savings.

TCA HAPPENINGS

Like always there's a million and half exciting things happening at Tri County this month and we'd like to take a moment to highlight some of our favorites.

Happy Anniversary

We have two very special work anniversaries to announce this month. To start, we'd like to congratulate office manager Therese Tweet on completing her 14th year working here at Tri County. Since starting here all those years ago, Therese has cemented herself as one of the most integral members of the TCA team. Whether she's running the accounting department, paying the bills and making sure the lights stay on, or handling any HR disputes (which thankfully are very rare since surprisingly everyone here actually gets along) we wouldn't be the company we are today without her.

Our second anniversary of note is for office assistant Jessica Toro. This July marks her first full year at Tri County. Jessica's ever positive attitude and work ethic have made her a very welcome addition to the team. Our office has never run more smoothly than it has now since she has come on board. So congratulations on your first year, we wish you many more with us.

Farewell, For Now

Last month we mentioned that sales rep Lauren Finkelstein would be going on maternity leave at the end of June as she is pregnant with her third child. We'd just like to say congratulations again and wish her well as she embarks on this new adventure. TCA won't be the same without her but we look forward to her return, whenever that may be.

Speaking of farewells, we'd like to give a special shout out to Rich Hyland over at Sansone Toyota. Rich, pictured here with TCA sales rep Zach Finkelstein and Sansone Vice President Rich Leibler, will be retiring this year after 43 years of dedicated service to the automotive industry. On behalf of all TCA we'd like say congratulations on the well-deserved retirement and thank you for your patronage, but more importantly your friendship throughout the years.

Charitable Donations

As the year continues on so does Tri County's effort to give back to the community through our various philanthropic endeavors. In addition to the regular charitable contributions TCA makes, we were fortunate enough to be able to make an additional donation of over \$1500 to the Lupus Foundation of America.
