

TCA MONTHLY NEWSLETTER

Welcome to our April Newsletter! Spring is finally here, and with it comes a busy season for all of us in the automotive industry.

A PERSONAL NOTE FROM JAMIE FINKELSTEIN – GARY’S SURGERY UPDATE

Dear Friends and Valued Customers,

I wanted to take a moment to personally thank everyone for their support and well wishes as Gary underwent his kidney surgery and inform you on his progress. The outpouring of kindness and encouragement has meant the world to us. I am happy to say that his surgery was a success, and he is now on the road to recovery. While he still has some healing and will be taking a temporary leave of absence, his spirits are high, and he is looking forward to getting back to work soon.

In an incredible act of selflessness, Gary chose to donate his kidney to help me get on the shorter list for a kidney transplant. His donation went to a recipient in another state, making a difference in someone's life while also helping me get closer to the transplant I need.

We are both deeply grateful for the support of our family, friends, and the entire team at Tri County Auto Supply. We know our son Zachary and business partner Tatiana, along with the rest of the team, will continue to provide exceptional service and care you have come to know over the past 38 years.

Your continued thoughts and prayers are deeply appreciated. On behalf of our entire team, thank you for standing by us during this time.

With heartfelt appreciation,

Jamie Finkelstein
