

TRI COUNTY AUTO SUPPLY | MAY NEWSLETTER

Driven to Keep You Stocked, Efficient, and Ahead of the Game.

PERSONAL NOTE FROM THE PRESIDENT'S DESK

Dear Friends and Clients,

I wanted to take a moment to personally thank you for your kindness, support, and encouragement during a significant time in our lives.

As some of you may know, I recently made the decision to donate a kidney in hopes that my wife will receive a transplant before the end of the year. It was a deeply personal choice, and one that was made easier knowing we had such a strong and compassionate circle around us.

Thanks to your prayers, positive thoughts, and unwavering support, my recovery is progressing well. We're staying hopeful and grateful each day.

From the bottom of my wife's and my heart – thank you.

Warm regards,

Gary Finkelstein

Tariff Watch

As you may be aware, ongoing changes in global trade policies, including the potential implementation of new tariffs, are beginning to affect many industries, including ours. Please know that any changes will be made thoughtfully and only when necessary. Our goal is to remain transparent and to continue providing you with the quality products and service you expect from us. We are committed to keeping you informed as the situation evolves. Thank you for your understanding and continued partnership.
