Summer may be winding down, but at Tri County Auto Supply we are gearing up for an exciting season ahead. From honoring important moments in history to preparing for winter, training opportunities, exclusive specials, here is what is happening this month at TCA.

CELEBRATING 40 YEARS WITH GARY!

This month we are honored to celebrate ***Gary's 40th year at Tri County Auto Supply!***

For four decades, Gary has been more than just a leader, he has been the heart of TCA. His genuine care for people, dedication to building lasting relationships and constant focus on looking out for one another have shaped the culture we are so proud of today.

Gary's commitment has always gone beyond business; he has built a family atmosphere where customers, employees and partners feel valued and supported. His vision of "people first" is what continues to drive TCA forward.

From all of us- Thank you, Gary, for 40 years of leadership, care, and inspiration. Cheers to more!

REMEMBERING 9/11

As we enter September, we take a moment to pause and reflect on the events of September 11th, 2001.
